Buick Touring Sedan

THE BUICK Model K-Six-47 body is of new de-ample head room. Too, window casings and sashes are fully covered with metal, giving perfect uniformity in finish and durability. All doors are properly hinged and fitted with double latches. The front seat extends across the body and there is a new-design, tilting steering wheel. The low seats of the riding comfort.

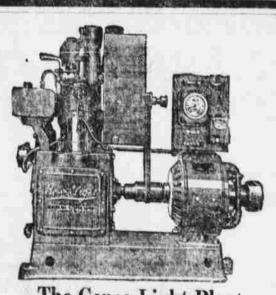

The interior is finished in handsome fabric, without bindings with deep upholatery. Cold weather snugness or summer driving comfort are equally available by adjusting the three-nice windshield and windows.

The tenneau carpet matches the upholstery. The standard Buick instrument board furnishes every driving convenience and a dome light in the ceiling illuminates the interior. The cowl carries two handsome side lamps.
